

INMATE COMMISSARY:

Various items of food, beverages, stationery, personal hygiene articles, etc. are available for purchase by inmates from the commissary once per week (excluding exigent/emergency circumstances). There is a \$100.00 limit on the amount an inmate can spend per week. Inmates who order commissary items by 10:00 p.m. Sunday night will have those items delivered to them the following Wednesday. All funds used to make purchases should be deposited into the inmate's account by Sunday night in order for the inmate to use those funds to make a purchase.
