FAQ's

FREQUENTLY ASKED QUESTIONS:

Q. Which vaccines are offered?

A. Flu (Influenza), Pneumonia, RSV (Respiratory Syncytial Virus), T-Dap (Tetanus, Diphtheria, and Pertussis), Shingles, Hepatitis B, and Hepatitis A.

Q. Why should I get vaccine boosters?

A. First responders are often exposed to environments in which infection is probable. Having current vaccines prevents infection before it begins.

Q. I have had these vaccines before, but I'm not sure when. Will it hurt if I get the vaccines again?

A. No, you will not be harmed if you receive the vaccine again.

Q. I can't attend on the 16th, will there be another date?

A. Yes, if you are unable to attend on the 16th, there will be another opportunity to take advantage of this offer on September 30th.

Q. How do I sign up?

A. Scan the QR code at the bottom of the page, enter your information, and sign up for a timeslot OR follow this link: <https://wagsoutreach.com/ss/ORA983453>
